

Online procedure of administrative application

When the administration procedure online law is enforced and an information system is fixed, procedures such as applications and notifications, will always be done through internet in a house or a company.

(example)

Notification about acquisition and loss of unemployment insurance qualification(10 M/year)

Grant application of a passport

(about 5.8M/ year)

Grant claim of family register transcript

(about 36M/year)

Improvement of national convenience
Simplification/Efficiency of Gov. office

On the occasion of application/ notification, presentation of copy of resident card become unnecessary

Action Plan of each Ministry

About 52,000 procedures were carried out by means of online

About 21,000 procedures are belong to G-to-C and G-to-B (application /notification)

All administrative procedure will be shifted to online By FY 2003

About 6,700 of Government procedures among 13,500 will be shifted to online within FY 2002

About 31,000 procedures are belong to G-to-G (Other than application /notification)

All of them will be shifted to online By FY2003 in principle
