

Form for FY2016 Survey of Trends in Business Activities of Foreign Affiliates

Submission Deadline	2016/8/31
Submit To	Minister of Economy, Trade and Industry

(To be completed by Ministry of Economy, Trade and Industry)

						-						-	
--	--	--	--	--	--	---	--	--	--	--	--	---	--

- o This survey covers companies that satisfied the following conditions as of the end of March of the year 2015, or satisfied the following conditions during year 2015.
Scope of the survey
 - 1) A company in which more than one third of shares or holdings is owned by a foreign investor
 - 2) A company funded by a domestic company (in Japan) in which more than one third of shares or holdings is owned by foreign investors, in which the total ratio of the foreign investors' direct and indirect investment is more than one third of the shares or holdings of the company concerned.
 - 3) Companies that fall under 1) or 2) above, in which the principal foreign investor's direct investment ratio is more than 10%.
- o **The entries in this survey will be used for statistical purposes only and will be kept confidential under the Statistics Law. They will not be used for any purposes that may cause concern to the respondent.**
- o The data of this survey is as of March 31, 2016. Please give annual figures for **fiscal year 2015**. Please refer to "Notes for Completing the Survey Form" before completing this form.
- o All monetary amounts should be indicated in yen denomination, rounded off to units of one million yen.
- o "1 Company outline," "2-3," and "2-4" are pre-printed based on the information given in the previous survey. **If any alterations need to be made, cross out the items with a ===== and input the correct entries.**

(Since we may need to make some clarifications, please designate the contact details for the person completing the form.)

Name of respondent		Department	
Address (only provide the address if it differs from the address of the head office written in 102)		Telephone No.	

1. Company Outline

101	(katakana) Company name					* If the address of the head office differs from the address indicated in the registration, write the address of the office which is actually functioning as the head office.
102	(Postal code) Address					
103	Business sector code	Business sector No.	Type of industry			* Please enter your industrial classification. * Please refer to the Industrial Classification Code Table in Appendix I of the Notes for Completing the Survey Form. If you are not sure of your type of industry, enter the specific details of your business.
104	Foreign capital ratio		*Write figures up to the first decimal point and justify to the right. *If a foreign investor has made both direct and indirect investments, enter the combined total of the investment ratio and the indirect investment ratio.			
105	Name of the principal foreign investor					* Write the name of the principal foreign investor in Japanese katakana characters or Roman letters. * If it is a company, enter the company name. *If your company has both direct and indirect investments from foreign investors, enter the principal foreign investor with the higher ratio.
106	Nationality of the principal foreign investor	No. of region/country	Name of region/country			* Refer to the Regional and National Classification Code Table in Appendix II of the Notes for Completing the Survey Form. * Write the nationality of the principal foreign investor you entered in Item 105 above, "Name of the principal foreign investor."
107	Investment ratio of the principal foreign investor		*Write figures up to the first decimal point and justify to the right. *Enter the investment ratio of the principal foreign investor entered in Item 105 above, "Name of the principal foreign investor."			
	If you are under "Scope of the survey 2)"	The domestic company name (which is owned by the principal foreign investor entered in item 105 "Name of the principal foreign investor")	Investment ratio of the domestic company (responded to the left column)			
8	Business sector code of the principal foreign investor	1.Same sector	Business sector No.	Type of industry		*If the business sector of the principal foreign investor you entered in Item 105 above, "Name of the principal foreign investor" is the same of your business sector, please circle 1, and if not, please circle 2 and answer the corresponding business sector number and type of industry.
		2.Different sector				
109	Capital or investments	(¥ million)		* Enter the amount of paid-in capital or investments held.		
110	Accounting term	* Write the two-digit accounting month.				
111	Consumption tax	1. Tax included	* Circle the relevant number corresponding to whether consumption tax is included in the monetary amounts given below.			
		2. Tax excluded				

2. Operation status

2-1. Operation status

Circle the relevant number for the operation status of your company as of March 31, 2016.

If "5. Dissolution, withdrawal and foreign capital reduced" is applicable, circle one of the two indicated corresponding periods during which the dissolution, withdrawal, or foreign capital reduction occurred.

211	1. In operation	Company is currently in operation.	* Fill in all the items from 2-2 amounts given below. * Fill in the items 231 "Year of establishment or foreign capitalization," 241 "Reason for which the ratio of shares or equity owned by foreign investors has surpassed one third of the total shares." * i. For those who selected fiscal 2015, please answer item 221, 222 "Transfer of functions" and item 231 "Year of establishment or foreign capitalization".
	2. Before the first accounting term after establishment	Company has not yet reached the first accounting term after establishment or after foreign capitalization.	
	3. Not yet established, not yet in operation	Company has not yet been established/ is not in operation	
	4. Suspended	Company is temporarily out of business or in dormancy.	
	5. Dissolution, withdrawal, or reduction of foreign capital ratio	Company dissolved due to liquidation, bankruptcy, takeover, merger or similar reason. Your company's foreign investors have withdrawn or your company's ratio of capitalization by foreign investors has fallen below one third.	
	i. In FY2015 ii. In or before FY2014		

2-2. Transfer of functions

2-1. This question is for those who answered "1. In operation," or "5. Dissolution, withdrawal and reduction of foreign capital ratio" and "i. Fiscal 2015" for "Operation status".

Are there any functions that were transferred from Japan overseas during fiscal 2015?

Select an item and circle the corresponding number from below.

For the transferred functions, enter the country and region it was transferred to. (multiple answers possible)

221	1	Yes	Only if you answered "Yes"	222	Transferred functions		Country and region transferred to
	2	No			1	Corporate planning	
			2		Sales and marketing		
			3		Research and development		
			4		Manufacturing and processing		
			5		Distribution		
			6		Finance		
			7		Human resources		

*Please refer to "Appendix II Regional and National Classification Code Table"

2-3. Year of establishment or foreign capitalization

Please write the two-digit month and four-digit year of the time when the ratio of shares or equity owned by foreign investors surpassed one third of the total shares in your company.

If the ratio of shares or equity owned by foreign investors was less than one third at the time of establishment, give the year when it surpassed one third of the total.

231	Year of establishment or foreign capitalization	YYYY	MM	* If the company that invested in your company changed either from a foreign investor to another foreign investor or from a foreign investor to a foreign-affiliated holding company, write the initial "Year of establishment or foreign capitalization" instead of the time when the investing company changed.

2-4. Reason for which the ratio of shares or equity owned by foreign investors has surpassed one-third of the total shares

Select and circle one number from the following.

If your investing company changed from one foreign investor to another foreign investor or from a foreign investor to a foreign-affiliated holding company, write "Reason for which the ratio of shares or equity owned by foreign investors has surpassed one third of the total shares" referring to the initial time instead of at the time when the investor changed.

241	1. Newly established by a single company	* Please include cases in which the ratio of shares or equity owned by foreign investors has surpassed one third of the total shares due to a capital increase after the M&A.
	2. Newly established as a joint venture	
	3. Merger & Acquisition	
	4. Other	

2-1. For those that selected "1. In operation" under "Operation status", please answer every following survey item beginning with "3 Employment (Total full-time persons employed)".

However, if you responded to "The FY2016 Basic Survey of Japanese Business Structure and Activities of the Ministry of Economy, Trade and Industry," fill in the survey items only within the red frames.

The "Basic Survey of Japanese Business Structure and Activities" is a designated statistical survey conducted by the Ministry of Economy, Trade and Industry for those companies with 50 employees or more and with capital of 30 million yen or more. For details, refer to page 5 of the "Notes for Completing the Survey Form."

2-1. If you selected an answer other than "1. In operation" under "Operation status", please answer 9 Investment environment in Japan and 15 Future business expansion in Japan.

3. Employment (Total full-time persons employed)

(Persons)

301	Total full-time persons employed (Number of foreign full-time persons included in the figure above)								
302									
303	Salaried directors (Number of foreign salaried directors included in the figure above)								
304									
305	Full-time employees (Number of foreign full-time employees included in the figure above)								
306
