

Form 1 (Re: Art. 2)

Application for Manufacturing License

Date:

To Minister of Economy, Trade and Industry

Name of the applicant

Name of the representative

(if the applicant is a juridical person)

Seal

Address

With the hope of obtaining a license under Article 4, paragraph 1 of the Act on Prohibition of Chemical Weapons and Control, etc. of Specific Chemicals, I hereby file an application pursuant to paragraph 2 of the same Article.

Address of the place of business where manufacture is to be implemented	
Specific chemical to be manufactured	
Manufacturing method	See the attachment
Tools, machinery or equipment used for manufacturing	See the attachment

Note: The size of this form shall be JIS A4.

Form 2 (Re: Art. 4)

Application for Permission for Change

Date:

To Minister of Economy, Trade and Industry

Name of the applicant

Name of the representative

(if the applicant is a juridical person)

Seal

Address

With the hope of obtaining permission for change under Article 7, paragraph 1 of the Act on Prohibition of Chemical Weapons and Control, etc. of Specific Chemicals, I hereby file an application pursuant to the said paragraph.

License number of the license relevant to the change		
Matter to be changed		
Details of the change	After change	
	Before change	

Note: The size of this form shall be JIS A4.

Form 3 (Re: Art. 5)

Notification of Change

Date:

To Minister of Economy, Trade and Industry

Name of the notifying person

Name of the representative

(if the notifying person is a juridical person)

Seal

Address

I hereby make a notification pursuant to Article 7, paragraph 2 (or paragraph 3) of the Act on Prohibition of Chemical Weapons and Control, etc. of Specific Chemicals.

License number of the license relevant to the change		
Matter to be changed		
Details of the change	After change	
	Before change	
Date of change		

Note: The size of this form shall be JIS A4.

Form 4 (Re: Art. 6)

Notification of Discontinuance of Manufacture

Date:

To Minister of Economy, Trade and Industry

Name of the notifying person

Name of the representative

(if the notifying person is a juridical person)

Seal

Address

I hereby make a notification pursuant to Article 8, paragraph 1 of the Act on Prohibition of Chemical Weapons and Control, etc. of Specific Chemicals.

License number of the license relevant to the discontinuance	
Date of discontinuance	

Note: The size of this form shall be JIS A4.

Form 5 (Re: Art. 7)

Application for User License

Date:

To Minister of Economy, Trade and Industry

Name of the applicant

Name of the representative

(if the applicant is a juridical person)

Seal

Address

With the hope of obtaining a license under Article 10, paragraph 1 of the Act on Prohibition of Chemical Weapons and Control, etc. of Specific Chemicals, I hereby file an application pursuant to paragraph 2 of the same Article.

Specific chemical to be used and the quantity thereof	
Purpose of use	
Method of use	See the attachment
Time of use	
Place of use	
Method for obtaining the specific chemical to be used	

Note: The size of this form shall be JIS A4.

(Front side)

Number: Date User License Certificate	
Pursuant to Article 10, paragraph 1 of the Act on Prohibition of Chemical Weapons and Control, etc. of Specific Chemicals, a license for using the following specific chemical shall hereby be granted.	
Minister of Economy, Trade and Industry <span style="border: 1px solid black; padding: 2px;">Seal</span>	
Licensed user	Name of the licensed user Name of the representative (if the licensed user is a juridical person)
	Address
Purpose of use	
Specific chemical to be used and the quantity thereof	Method of use
Place of use	
Conditions of use	
License valid	From: Until:
This license certificate shall be returned to the Minister of Economy, Trade and Industry in the following cases: (i) Where the license has expired. (ii) Where the licensed user has achieved the purpose of the license or the need for the license no longer applies before the license expires. (iii) Where the license has been revoked.	

(Back side)

Sections to be filled in by the licensed manufacturer or approved importer

Date	Name of the licensed manufacturer or approved importer <div data-bbox="810 423 874 465" style="border: 1px solid black; display: inline-block; padding: 2px;">Seal</div>	Specific chemical	Quantity

Note: The size of this form shall be JIS A4.

Form 7 (Re: Art. 8)

Application for Reissue of User License Certificate

Date:

To Minister of Economy, Trade and Industry

Name of the applicant

Name of the representative

(if the applicant is a juridical person)

Seal

Address

I hereby apply for reissue of a user license certificate under Article 10, paragraph 3 of the Act on Prohibition of Chemical Weapons and Control, etc. of Specific Chemicals.

Quantity of the special chemical that the licensed user may accept	
License number of the license for which reissue is requested	
Reason for applying for reissue	

Notes:

1. The size of this form shall be JIS A4.
2. The quantity of the special chemical that the licensed user may accept shall be calculated by deducting the quantity already accepted from the total quantity that the licensed user may use.

Form 8 (Re: Art. 10)

Notification of Provision

Date:

To Minister of Economy, Trade and Industry

Name of the notifying person

Name of the representative

(if the notifying person is a juridical person)

Seal

Address

I hereby make a notification pursuant to Article 15, paragraph 2 of the Act on Prohibition of Chemical Weapons and Control, etc. of Specific Chemicals.

Specific chemical provided and the quantity thereof	
Date of provision	
Recipient	
License number of the user license held by the recipient	

Note: The size of this form shall be JIS A4.

Form 9 (Re: Art. 11)

Notification of Destruction

Date:

To Minister of Economy, Trade and Industry

Name of the notifying person

Name of the representative

(if the notifying person is a juridical person)

Seal

Address

I hereby make a notification pursuant to Article 18, paragraph 2 of the Act on Prohibition of Chemical Weapons and Control, etc. of Specific Chemicals.

Specific chemical to be destroyed and the quantity thereof	
Scheduled date of destruction	
Planned place of destruction	
Destruction method	See the attachment

Note: The size of this form shall be JIS A4.

Form 10 (Re: Art. 12)

Notification of Succession to Title of Licensed Manufacturer (Licensed User)

Date:

To Minister of Economy, Trade and Industry

Name of the notifying person

Name of the representative

(if the notifying person is a juridical person)

Seal

Address

I hereby make a notification pursuant to Article 20, paragraph 2 of the Act on Prohibition of Chemical Weapons and Control, etc. of Specific Chemicals.

Cause of succession	
Name of the person succeeded to Name of the representative (if the person is a juridical person)	
Address of the person succeeded to	
License number of the manufacturing (user) license relevant to the succession	

Note: The size of this form shall be JIS A4.

Form 11 (Re: Art. 12)

Certificate of Consent to Inheritance of Licensed Manufacturer (Licensed User)

Date:

To Minister of Economy, Trade and Industry

Certified by:

Name

Seal

Address

I hereby certify inheritance of the licensed manufacturer (licensed user).

Name of the decedent	
Address of the decedent	
Date of grant of the license under Article 4(1) (or Article 10(1)) of the Act to the decedent	
License number of the license held by the decedent	
Name of the person appointed as successor to the title of the licensed manufacturer (or licensed user)	
Address of the person appointed as successor to the title of the licensed manufacturer (or licensed user)	
Date of commencement of inheritance	

Notes:

1. The size of this form shall be JIS A4.
2. The certificate must be signed and sealed by all heirs other than the one who has been appointed as successor to the title of the licensed manufacturer (licensed user).

Form 12 (Re: Art. 12)

Certificate of Inheritance of Licensed Manufacturer (Licensed User)

Date:

To Minister of Economy, Trade and Industry

Certified by:

Name of the certifying person

Name of the representative

(if the certifying person is a juridical person)

Seal

Address

Name of the certifying person

Name of the representative

(if the certifying person is a juridical person)

Seal

Address

We hereby certify inheritance of the licensed manufacturer (licensed user).

Name of the decedent	
Address of the decedent	
Date of grant of the license under Article 4(1) (or Article 10(1)) of the Act to the decedent	
License number of the license held by the decedent	
Name of the person who has succeeded to the title of the licensed manufacturer (or licensed user)	
Address of the person who has succeeded to the title of the licensed manufacturer (or licensed user)	
Date of commencement of inheritance	

Notes:

1. The size of this form shall be JIS A4.
2. Inheritance must be certified by at least two persons.

Form 13 (Re: Art. 13)

Notification of Actual Manufacture

Date:

To Minister of Economy, Trade and Industry

Name of the notifying person

Name of the representative

(if the notifying person is a juridical person)

Seal

Address

I hereby make a notification pursuant to Article 21, paragraph 1 of the Act on Prohibition of Chemical Weapons and Control, etc. of Specific Chemicals.

License number of the relevant license		
Specific chemical		
Maximum stock in the preceding year		
Quantity manufactured (on each date of manufacture)	Date	Quantity

Notes:

1. The size of this form shall be JIS A4.
2. This notification must report the quantity manufactured and the maximum stock during the period from January 1 until December 31 of the preceding year.

Form 14 (Re: Art. 14)

Notification of Actual Use

Date:

To Minister of Economy, Trade and Industry

Name of the notifying person

Name of the representative

(if the notifying person is a juridical person)

Seal

Address

I hereby make a notification pursuant to Article 21, paragraph 2 of the Act on Prohibition of Chemical Weapons and Control, etc. of Specific Chemicals.

License number of the relevant license		
Specific chemical		
Quantity used (on each date of use)	Date	Quantity

Notes:

1. The size of this form shall be JIS A4.
2. In the case set forth in the proviso of Article 14, this notification must report the quantity used during the period from the day when the use started until the day when it ended.

Form 15 (Re: Art. 16 and Art. 18)

Notification of Estimated Manufacture, etc. (Use)

Date:

To Minister of Economy, Trade and Industry

Name of the notifying person

Name of the representative

(if the notifying person is a juridical person)

Seal

Address

I hereby make a notification pursuant to Article 24, paragraph 1, 2 or 3 (Article 24, paragraph 1, 2 or 3 as applied mutatis mutandis pursuant to Article 26) of the Act on Prohibition of Chemical Weapons and Control, etc. of Specific Chemicals.

Name of the place of business where manufacture, etc. (use) is to be implemented					
Address of the place of business where manufacture, etc. (use) is to be implemented					
First-class designated chemical to be manufactured, etc. (used)					
Quantity of the first-class designated chemical to be manufactured, etc. (used)	Category*				
	Quantity	kg			
Number and location of the facilities for manufacture, etc. (use) of the first-class designated chemical within the place of business	Number		Location	See the attachment	
Quantity of the first-class designated chemical to be manufactured, etc. (used) at each facility for manufacture, etc. (use), and in the case of manufacture, the production capacity of each facility	Quantity	kg	kg	kg	
	Capacity	/year	/year	/year	

Notes:

1. The size of this form shall be JIS A4.
2. In the “category” section, indicate any of manufacturing/extracting/refining in the case of manufacturing, etc., and Article 18(2)(i) or Article 18(2)(ii) in the case of use.

Form 16 (Re: Art. 16, Art. 18, and Art. 19)

Notification of Change

Date:

To Minister of Economy, Trade and Industry

Name of the notifying person

Name of the representative

(if the notifying person is a juridical person)

Seal

Address

I hereby make a notification pursuant to Article 24, paragraphs 4 (Article 24, paragraphs 4 as applied mutatis mutandis pursuant to Article 26 or Article 27) of the Act on Prohibition of Chemical Weapons and Control, etc. of Specific Chemicals.

Matter to be changed	
Details of the change	After change
	Before change
Scheduled date of change	

Note: The size of this form shall be JIS A4.

Form 17 (Re: Art. 17 and Art. 18)

Notification of Actual Manufacture, etc. (Use)

Date:

To Minister of Economy, Trade and Industry

Name of the notifying person

Name of the representative

(if the notifying person is a juridical person)

Seal

Address

I hereby make a notification pursuant to Article 25 (Article 25 as applied mutatis mutandis pursuant to Article 26) of the Act on Prohibition of Chemical Weapons and Control, etc. of Specific Chemicals.

Name of the place of business where manufacture, etc. (use) has been implemented					
Address of the place of business where manufacture, etc. (use) has been implemented					
First-class designated chemical manufactured, etc. (used)					
Quantity of the first-class designated chemical manufactured, etc. (used), which has been directly exported or imported	Category*				
	Quantity	kg ( kg)			
Number and location of the facilities for manufacture, etc. (use) of the first-class designated chemical within the place of business	Number		Location	See the attachment	
Quantity of the first-class designated chemical manufactured, etc. (used) at each facility for manufacture, etc. (use), and in the case of manufacture, the production capacity of each facility	Quantity	kg	kg	kg	
	Capacity	/year	/year	/year	

Notes:

1. The size of this form shall be JIS A4.
2. In the “category” section, indicate any of manufacturing/extracting/refining in the case of manufacturing, etc., and Article 18(2)(i) or Article 18(2)(ii) in the case of use.

Notification of Estimated Manufacture

Date:

To Minister of Economy, Trade and Industry

Name of the notifying person

Name of the representative

(if the notifying person is a juridical person)

Seal

Address

I hereby make a notification pursuant to Article 24, paragraph 1, 2 or 3 as applied mutatis mutandis pursuant to Article 27 of the Act on Prohibition of Chemical Weapons and Control, etc. of Specific Chemicals.

Name of the place of business where manufacture is to be implemented				
Address of the place of business where manufacture is to be implemented				
Second-class designated chemical to be manufactured				
Quantity of the second-class designated chemical to be manufactured	t			
Number and location of the manufacturing facilities for the second-class designated chemical within the place of business	Number		Location	See the attachment
	Quantity	t	t	t

Note: The size of this form shall be JIS A4.

Notification of Actual Manufacture

Date:

To Minister of Economy, Trade and Industry

Name of the notifying person

Name of the representative

(if the notifying person is a juridical person)

Seal

Address

I hereby make a notification pursuant to Article 25 as applied mutatis mutandis pursuant to Article 27 of the Act on Prohibition of Chemical Weapons and Control, etc. of Specific Chemicals.

Name of the place of business where manufacture has been implemented				
Address of the place of business where manufacture has been implemented				
Second-class designated chemical manufactured				
Quantity of the second-class designated chemical manufactured	t			
Number and location of the manufacturing facilities for the second-class designated chemical within the place of business	Number		Location	See the attachment
	Quantity	t	t	t

Note: The size of this form shall be JIS A4.

Form 20 (Re: Art. 21)

Notification of Actual Export (Import)

Date:

To Minister of Economy, Trade and Industry

Name of the notifying person

Name of the representative

(if the notifying person is a juridical person)

Seal

Address

I hereby make a notification pursuant to Article 28 of the Act on Prohibition of Chemical Weapons and Control, etc. of Specific Chemicals.

Designated chemical exported (imported)		
Category: first-class/second-class		
Quantity of the designated chemical exported (imported) (for each importing country/exporting country)	Importing/exporting country	Quantity
		kg
		kg
		kg
		kg

Note: The size of this form shall be JIS A4.

Notification of Actual Manufacture

Date:

To Minister of Economy, Trade and Industry

Name of the notifying person

Name of the representative

(if the notifying person is a juridical person)

Seal

Address

I hereby make a notification pursuant to Article 29, paragraph 1 of the Act on Prohibition of Chemical Weapons and Control, etc. of Specific Chemicals.

Name of the place of business where manufacture has been implemented		
Address of the place of business where manufacture has been implemented		
Classification of the total quantity of the organic chemicals manufactured at the place of business (Mark the class that applies)	Less than 1,000t	
	1,000t -10,000t	
	Over 10,000t	
Number of the manufacturing facilities for the organic chemicals within the place of business		

Notes:

1. The size of this form shall be JIS A4.
2. Where a specific organic chemical is manufactured at the place of business, the quantity thereof shall be included in the total quantity.

Form 22 (Re: Art. 23)

Notification of Actual Manufacture

Date:

To Minister of Economy, Trade and Industry

Name of the notifying person

Name of the representative

(if the notifying person is a juridical person)

Seal

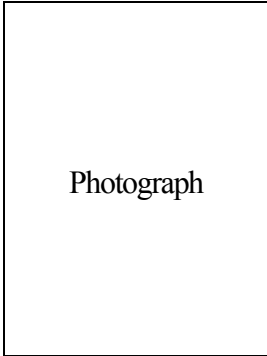

Address

I hereby make a notification pursuant to Article 29, paragraph 2 of the Act on Prohibition of Chemical Weapons and Control, etc. of Specific Chemicals.

Name of the place of business where manufacture has been implemented		
Address of the place of business where manufacture has been implemented		
Classification of the total quantity of the specific organic chemicals manufactured at the place of business (Enter the number of manufacturing facilities for the class that applies)	Less than 200t (less than 30t)	
	200t-1,000t	
	1,000t-10,000t	
	Over 10,000t	

Note: The size of this form shall be JIS A4.

Article 30(1)  
A person appointed by an international organization may, in the presence of an official appointed by the Minister of Economy, Trade and Industry from his/her staff (or an official appointed by the Minister of Economy, Trade and Industry from his/her staff and an official appointed by the Minister of Foreign Affairs from his/her staff in cases specified by Cabinet Order), and within the scope specified by the Chemical Weapons Convention, enter such places where toxic chemicals or chemicals having similar toxic properties or materials from which these chemicals are made are handled or other places as designated by the international organization, inspect or photograph books, documents, and other articles, question the people concerned or take samples in the minimum necessary quantity for testing free of charge.

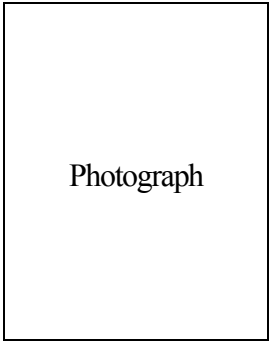

Article 30(3)  
The official who observes inspection, etc. pursuant to the provisions of Paragraph 1 shall make efforts to ensure that the inspection, etc. will be conducted appropriately and smoothly within the scope of the Chemical Weapons Convention.

Article 45  
A person who falls under any of the following items shall be punished by a fine of not more than 300,000 yen:  
(v) person who has refused, obstructed or avoided inspection, photographing or taking of samples under the provisions of Article 30(1) or has failed to answer questions under said paragraph or stated false answers.

Note: The size of this form shall be JIS B8.

Notice of Submission of Flexible Disk

Date:

To Minister of Economy, Trade and Industry

Name of the submitter  
Name of the representative  
(if the submitter is a juridical person)

Seal

Address

I hereby submit a flexible disk(s) onto which the matters to be stated in the documents to be submitted upon application or notification under Article \_\_\_\_\_ of the Act on Prohibition of Chemical Weapons and Control, etc. of Specific Chemicals, are recorded.

I hereby certify that the matters recorded on the flexible disk(s) attached thereto are true.

1. Matters recorded on the flexible disk(s)
2. Document(s) attached to the flexible disk(s)

(Notes)

1. The size of this form shall be JIS A4.
2. State the article number applicable to the application or notification.
3. In the "Matters recorded on the flexible disk(s)" section, state such matters recorded on the flexible disk(s) to be submitted; if two or more flexible disks are submitted, number each of them, and state the matters recorded on them by disk number.
4. In the "Document(s) attached to the flexible disk(s)" section, state the title of any document in which matters other than those recorded on the flexible disk(s) attached hereto upon application or notification.
5. In the "Seal" section, affix seals to the flexible disk(s) to be submitted in replacement of the documents that should be sealed.
6. Omit any sections in which there is no matter to state.
