

Appendix 1

List of Newly Established and Revised JIS Publicly Notified on June 20, 2022

<Division in charge and telephone number >

International Standardization Division (e-mail: s-kijun-ISO@meti.go.jp direct line: 03-3501-9283)

International Electrotechnology Standardization Division (e-mail: s-iec@meti.go.jp direct line: 03-3501-9287)

1. Newly established standards

(Accredited SDO- Japanese Standards Association)

Name of standard	JIS code	Association that prepared the draft proposal	Division in charge
Fiber optic active components and devices-Test and measurement procedures-Part 7: Optical transceiver modules for single fiber parallel transmission link with wavelength division multiplexing	C5954-7	Japanese Standards Association	International Electrotechnology Standardization Division
Fiber optic active components and devices-Performance standard template-Part 3: Optical transceiver modules for single fiber parallel transmission link with wavelength division multiplexing	C5955-3	Japanese Standards Association	International Electrotechnology Standardization Division

(Total standards newly established:2)

2. Revised standards

Accredited SDO-Japanese Standards Association)

Name of standard	JIS code	Association that prepared the draft proposal	Division in charge
Guidelines for older persons and persons with disabilities-Information and communications equipment, software and services-Part 5: Office equipment	X8341-5	Japanese Standards Association	International Electrotechnology Standardization Division
Test methods for fiber optic test sources	C6190	Japanese Standards Association	International Electrotechnology Standardization Division
Digitally recorded media for information interchange and storage-120 mm triple layer (100.0 Gbytes per disk) BD rewritable disk	X6233	Japanese Standards Association	International Electrotechnology Standardization Division

(Total standards revised: 3)
