

Appendix 1

List of Newly Established and Revised JIS Publicly Notified on April 20, 2023

<Division in charge and telephone number>

International Standardization Division (e-mail: bzl-s-kijun-ISO@meti.go.jp direct line: 03-3501-9283)

International Electrotechnology Standardization Division (e-mail: bzl-s-iec@meti.go.jp direct line: 03-3501-9287)

1. Newly established standards

(discussed by the Japanese Industrial Standards Committee)

Name of standard	JIS code	Association that prepared the draft proposal	Division in charge
Criteria for low voltage electrical energy storage equipment	C4413	The Japan Electrical Manufacturers' Association	International Electrotechnology Standardization Division
Lavelings for low voltage electrical energy storage equipment for residential use	C4414	The Japan Electrical Manufacturers' Association	International Electrotechnology Standardization Division
Surface chemical analysis-Scanning-probe microscopy-Determination of cantilever normal spring constants	K0182	Japan National Committee for Standardization of Surface Chemical Analysis	International Standardization Division

(Submitted by Accredited SDO-the Japanese Standards Association)

Name of standard	JIS code	Association that prepared the draft proposal	Division in charge
Conformity assessment-Code of good practice	Q17060	Japanese Standards Association	International Standardization Division

(Total standards newly established: 4)

2. Revised standards

(discussed by the Japanese Industrial Standards Committee)

Name of standard	JIS code	Association that prepared the draft proposal	Division in charge
Concrete blocks for buildings	A5406	Japan Concrete Block Association	International Standardization Division
Impact reducing TATAMIDOKO	A5917	Japan Tatami Industry Association	International Standardization Division
Corrosion-resistant and heat-resistant superalloy, nickel and nickel alloy-Bars	G4901	Japan Stainless Steel Association	International Standardization Division
Insulating glass	R3209	Flat Glass Manufacturers Association of Japan	International Standardization Division

(Submitted by Accredited SDO-the Japanese Standards Association)

Name of standard	JIS code	Association that prepared the draft proposal	Division in charge
Conformity assessment-General requirements for third-party marks of conformity	Q17030	Japanese Standards Association	International Standardization Division

(Total standards revised: 5)
