

List of Figures and Tables

Figure I-1-1-1	Changes in global real GDP growth rates	1
Table I-1-1-2	Real GDP growth rates (by region)	2
Figure I-1-1-3	Comparison in growth rates of global trade volume and real GDP	3
Table I-1-1-4	Growth rates of global merchandise trade volumes	3
Figure I-1-1-5	Changes in shares of services trade in total global trade	5
Figure I-1-1-6	Year-on-year growth rates of global goods trade and services trade	5
Table I-1-1-7	Values of global services trade and year-on-year change rates	5
Figure I-1-1-8	Changes in the global total values of inward foreign direct investment (on a flow basis)	7
Figure I-1-1-9	Changes in the global total number and values of cross-border M&As	7
Table I-1-1-10	Global cross-border M&As by economy and region (2017)	8
Figure I-1-1-11	Changes in the balance sheet of central banks in Japan, the United States and the EU	9
Figure I-1-1-12	Global credit balance to the non-financial sector	11
Figure I-1-1-13	Ratio of non-financial private sector debts to nominal GDP during the past financial crises (deviation from the trend)	11
Figure I-1-1-14	Ratios of non-financial private sector debts to nominal GDP by economy (deviation from the trend)	12
Figure I-1-1-15	Cumulative contributions of securities investment flown into emerging economies (model estimates)	13
Figure I-1-1-16	Cumulative contributions of securities investment flown into emerging economies per month (2017-2019)	13
Figure I-1-1-17	Flows of stock investment in emerging economies (2013)	14
Figure I-1-1-18	Flows of bond investment in emerging economies (2013)	14
Figure I-1-1-19	Changes in policy interest rates in emerging economies	15
Figure I-1-1-20	Flows of stock investment in emerging economies (2017)	16
Figure I-1-1-21	Flows of bond investment in emerging economies (2017)	16
Table I-1-1-22	GDP growth rates, current account balance, primary balance, total balance of government debts and foreign currency reserves of emerging economies	18
Figure I-1-1-23	Relationships between exchange rates and inflation rates	19
Figure I-1-1-24	Cumulative scales of GDP growth rates, current account balance and capital inflows	19
Figure I-1-2-1-1	Changes in import/export values in Japan	20
Figure I-1-2-1-2	Changes in import/export values in Japan (year-on-year)	21
Figure I-1-2-1-3	Breakdown of the changes in the trade balance by factor	21
Table I-1-2-1-4	Contribution level of export value by major country/region and by product item in Japan (2016 to 2017)	22
Figure I-1-2-1-5	Changes in Japanese export to China (value)	22

Figure I-1-2-1-6	Changes in contributions by product item of export values of general machinery and growth rates of exports of semiconductor manufacturing equipment from Japan to China	23
Figure I-1-2-1-7	Changes in contributions by product item of export values of general machinery and electrical equipment from Japan to China (year-on-year)	24
Figure I-1-2-1-8	Changes in export values of semiconductor manufacturing equipment and semiconductors and other electronic parts from Japan to China	25
Table I-1-2-1-9	Contribution level of import value by major country/region and by product item in Japan (2016 to 2017)	26
Figure I-1-2-1-10	Changes in imports of crude oil and raw oil in Japan	27
Figure I-1-2-1-11	Changes in year-on-year growth rates of WTI crude oil prices	27
Figure I-1-2-1-12	Shares of import values of electrical equipment by product item and changes in contributions of year-on-year growth rates from ASEAN to Japan	28
Figure I-1-2-1-13	Shares of import values of electrical equipment by product item and changes in contributions of year-on-year growth rates from China to Japan	29
Figure I-1-2-1-14	Changes in import prices and volume of semiconductors and other electronic parts (IC) to Japan by economy and region	30
Figure I-1-2-2-1	Changes in account balance in Japan	31
Figure I-1-2-2-2	Year-on-year changes in account balance in Japan	31
Figure I-1-2-2-3	Changes in trade balance in Japan	32
Figure I-1-2-2-4	Year-on-year changes in trade balance in Japan	32
Figure I-1-2-2-5	Changes in service balance in Japan	33
Figure I-1-2-2-6	Year-on-year changes in service balance in Japan	33
Figure I-1-2-2-7	Changes in contributions of growth rates regarding services account balance by receipt and payment in Japan	34
Figure I-1-2-2-8	Changes in the number of foreign tourists visiting Japan and those in value of per-capita travel service receipts	35
Figure I-1-2-2-9	Changes in the primary income balance in Japan	36
Figure I-1-2-2-10	Year-on-year changes in the primary income balance in Japan	36
Figure I-1-2-2-11	Changes in contributions of growth rates regarding the primary income balance by receipt and payment in Japan	37
Figure I-1-2-3-1	Shares of balance of direct investments by economy and region worldwide	38
Figure I-1-2-3-2	Changes in balance of outward foreign direct investments in Japan (as of the end of 2016)	39
Figure I-1-2-3-3	Balance of outward foreign direct investments and shares thereof by industry in major economies	39
Table I-1-2-3-4	Top ten economies in terms of flows and balance of outward foreign direct investments by economy and region in Japan	40
Column Figure 1-1	Changes in trade values in the Meiji period	42
Column Figure 1-2	Changes in shares of export values by product item	42
Column Figure 1-3	Changes in shares of import values by product item	43

Column Figure 1-4	Changes in shares of export values by region	44
Column Figure 1-5	Changes in shares of import values by region	45
Column Table 1-6	Trade balance by region between 1876 and 1910 (five-years total)	45
Column Table 1-7	Changes in production amount, export volumes and export rates in the silk reeling industry	46
Column Table 1-8	Changes in production amount, export volumes and export rates in the tea processing, copper processing and coal industries	47
Figure I-2-1-1	Changes in contributions of GDP by expenditure in the United States	48
Figure I-2-1-2	Changes in federal fund rates in the United States	49
Figure I-2-1-3	Changes in the S&P500 index and yields on 10-year government bonds in the United States	49
Figure I-2-1-4	Changes in the number of employees in the non-farm sector and unemployment rates	50
Figure I-2-1-5	Changes in PCE price indices	51
Figure I-2-1-6	Changes in trade balance in the United States	51
Table I-2-1-7	Major export items from the United States	52
Table I-2-1-8	Major import items from the United States	52
Table I-2-1-9	Top 10 trade surplus economies in 2017 for the United States	53
Table I-2-1-10	Top 10 trade deficit economies in 2017 for the United States	54
Figure I-2-1-11	Inward direct investment (by region; balance)	55
Figure I-2-1-12	Outward direct investment (by region; balance)	56
Figure I-2-1-13	Inward direct investment (by industry; balance)	56
Figure I-2-1-14	Outward direct investment (by industry; balance)	56
Figure I-2-1-15	International comparison of effective tax rates for companies	57
Figure I-2-1-16	Comparison of the scales of tax reduction	59
Figure I-2-1-17	Total amount of tax reduction	60
Figure I-2-1-18	Impacts of tax system reforms to GDP	60
Table I-2-1-19	Trade in goods between three NAFTA member countries	62
Table I-2-1-20	Population, GDP and trade value of NAFTA	63
Table I-2-1-21	Trade value with the United States by trading partner economy (2017)	63
Table I-2-1-22	Trade items within the NAFTA area in the United States	64
Table I-2-1-23	MFN tariff rates and NAFTA tariff rates (exports from Mexico to the United States)	66
Table I-2-1-24	MFN tariff rates and NAFTA tariff rates (exports from the United States to Mexico)	66
Table I-2-1-25	MFN tariff rates and NAFTA tariff rates (exports from Canada to the United States)	67
Table I-2-1-26	MFN tariff rates and NAFTA tariff rates (exports from the United States to Canada)	67
Figure I-2-1-27	Changes in export values of agricultural products from the United States	68

Figure I-2-1-28	Changes in import values of agricultural products to the United States	68
Table I-2-1-29	MFN tariff rates and NAFTA tariff rates (agricultural products)	69
Table I-2-1-30	MFN tariff rates and NAFTA tariff rates (textiles)	69
Table I-2-1-31	NAFTA renegotiating objectives	70
Figure I-2-1-32	Changes in imports of automobiles to the United States (imports from outside the NAFTA area, Canada and Mexico)	72
Table I-2-1-33	Number of automobiles exported from and produced in Mexico	72
Figure I-2-1-34	Impact derived from the renegotiation of NAFTA	75
Figure I-2-1-35	U.S.-China trade balance	76
Table I-2-1-36	Export items from the United States to China	77
Table I-2-1-37	Export items from China to the United States	77
Figure I-2-1-38	Changes in exports of machinery and transportation equipment from Asia-Pacific economies to the United States	78
Figure I-2-1-39	Changes in export value of computers to the United States	79
Figure I-2-1-40	Exports from the United States to China (by production step)	80
Figure I-2-1-41	Exports from China to the United States (by production step)	81
Figure I-2-1-42	Benefits that Chinese state-owned enterprises (SOE) competing with U.S. enterprises enjoy	82
Figure I-2-1-43	Measures taken by U.S. companies in China to protect their own intellectual property rights	82
Figure I-2-1-44	Changes in the number of implementations of AD issued by the United States or China	84
Figure I-2-1-45	Changes in the number of implementations of AD against the United States or China	85
Figure I-2-1-46	Changes in the number of implementations of AD issued by the United States against China (by sector)	85
Figure I-2-1-47	Changes in the number of implementations of AD issued by China against the United States (by sector)	86
Table I-2-1-48	Trade value and composition rates of items subject to the Section 301 of the Trade Act in 2017	87
Table I-2-1-49	Imports of iron and steel and aluminum to the United States (by economy)	88
Table I-2-1-50	Imposition of additional tariffs by China against the United States (export value from the U.S. to China and total value of additional tariffs)	89
Figure I-2-1-51	Changes in the number of M&As of U.S. companies by Chinese companies	92
Table I-2-1-52	Composition of CFIUS	92
Figure I-2-1-53	Changes in the number of reviewed transactions by economy	93
Table I-2-1-54	Cases where investment was blocked under Executive Order	94
Column figure 2-1	Changes in yields on 10-year government bonds and term premiums in the United States	96
Column figure 2-2	Changes in neutral interest rates and federal funds rates (FF rates)	97

Column figure 2-3	Changes in monetary policy stances and GDP gaps	97
Figure I-2-2-1	Changes in real GDP growth rates in the euro-area economies and the United Kingdom (annual rates)	98
Figure I-2-2-2	Changes in real GDP growth rates in the euro-area economies and the United Kingdom (quarter-to-quarter basis)	99
Figure I-2-2-3	Changes in real GDP growth rates in the euro area (contributions by expenditure)	99
Figure I-2-2-4	Economic sentiment in the euro area (by sector)	99
Figure I-2-2-5	Improvement of unemployment rates in the euro-area economies and the United Kingdom (year-on-year changes)	100
Figure I-2-2-6	Changes in unemployment rates in the euro-area economies and the United Kingdom	100
Figure I-2-2-7	Growth rates of gross fixed capital formation in the euro-area economies and the United Kingdom	101
Figure I-2-2-8	Loan interest rates of the euro-area companies	101
Figure I-2-2-9	Changes in Bank loans to the private sector in euro-area	102
Figure I-2-2-10	Changes in growth rates of the consumer price index in the euro area	103
Table I-2-2-11	ECB's accommodative monetary policy	103
Figure I-2-2-12	Growth rates of export values of the euro area (contributions by destination)	104
Figure I-2-2-13	Shares and growth rates of exports of the euro area by destination	104
Figure I-2-2-14	Growth rates of export values of the euro area and contributions by country	105
Figure I-2-2-15	Growth rates of import values in the euro area (contributions by import source)	105
Figure I-2-2-16	Shares and growth rates of imports in the euro area by import source	106
Figure I-2-2-17	Growth rates of import values in the euro area and contributions by importing country	106
Figure I-2-2-18	Changes in real GDP growth rates in the United Kingdom (contributions by expenditure)	107
Figure I-2-2-19	Real GDP growth rates in the United Kingdom (contributions by sector)	107
Figure I-2-2-20	Changes in private investments in the United Kingdom	108
Figure I-2-2-21	Appetite for investment of U.K. manufacturers	108
Figure I-2-2-22	Foreign direct investments by the United Kingdom (flows)	109
Figure I-2-2-23	Acquisition of U.K. companies by foreign companies	109
Figure I-2-2-24	Growth rates of the consumer price index in the United Kingdom	110
Figure I-2-2-25	Changes in prices and exchange rates in the United Kingdom	110
Figure I-2-2-26	Growth rates of exports from the United Kingdom (contributions by destination)	111
Figure I-2-2-27	Growth rates of imports to the United Kingdom (contributions by import source)	111
Figure I-2-2-28	Changes in import values of gold to the United Kingdom (contributions by import source)	112
Table I-2-2-29	Expected impacts of Brexit (HM Treasury)	113

Table I-2-2-30	Non-tariff barriers if the U.K. withdrawal is implemented without a deal	114
Figure I-2-2-31	Shares of the EU in total export values in the United Kingdom (by item)	115
Figure I-2-2-32	Shares of the EU in total import values in the United Kingdom (by item)	115
Figure I-2-2-33	Shares of the United Kingdom in total export values in the EU (by item)	116
Figure I-2-2-34	Shares of the United Kingdom in total import values in the EU (by item)	116
Figure I-2-2-35	Shares of the EU in total automobile trade in the United Kingdom	118
Figure I-2-2-36	Priority matters for German companies (in the Brexit negotiations)	118
Figure I-2-2-37	Plans of shifting investment from the United Kingdom to other markets (German companies)	119
Figure I-2-2-38	Assessment of effects of Brexit (German companies)	119
Figure I-2-2-39	Fields about which Japanese companies are concerned over effects caused by changes in regulations	120
Figure I-2-2-40	Necessary transition period if the UK does not stay in the single market of Customs Union	121
Figure I-2-2-41	Shares of trade partners of the EU with which FTAs have been enforced	123
Figure I-2-2-42	The EU's FTA coverage ratios (trade values with economies outside the EU area)	124
Figure I-2-2-43	Changes in coverage ratios of FTAs (enforced) in the EU15 member countries	124
Figure I-2-2-44	FTA coverage ratios of major economies and regions	125
Figure I-2-2-45	Changes in the extra-EU trade values of the EU (15 member countries)	125
Figure I-2-2-46	Growth rates of trade value of goods in the EU (15 member countries) (by partner or region)	126
Figure I-2-2-47	Exports of services from the EU (15 member countries)	127
Figure I-2-2-48	Balance of goods trade in the EU	127
Figure I-2-2-49	Changes in the number of implementations of AD in major economies	127
Figure I-2-2-50	Changes in the number of implementations of AD by the EU	128
Figure I-2-2-51	Changes in the number of implementations of AD by the EU against China (by item)	130
Figure I-2-2-52	Changes in inward direct investments of major economies	130
Figure I-2-2-53	Number of M&As in the EU area by companies in economies outside the area (by economy of acquired company)	130
Figure I-2-2-54	Number of M&As in the EU countries by foreign companies (by region of acquiring company)	131
Table I-2-2-55	Framework for Screening of Foreign Direct Investments (Proposal by the European Commission (EC))	132
Figure I-2-2-56	Sector-based M&As by China (in the EU member countries)	132
Figure I-2-2-57	Shares of Chinese companies in all M&As by foreign companies in the EU member countries	133
Figure I-2-2-58	M&As by the EU member countries and China	133
