

Appended

Sample of brief note  
(to be submitted by notifier (importers in Japan))

Year: Month: Day:

To: Director, Chemical Safety Office, Chemical Management Policy Division,  
Manufacturing Industries Bureau, METI

Name, or name of the corporation  
Its representative  
Address

I cannot identify certain chemical substances in ( the mixture product ) I imported because the chemical supplier claimed the chemical identity as confidential. So I declare that the following “chemical supplier” will fill out some column of my notification form for certain chemical substances and submit the notification directly to METI in order to submit notification based on the provision of paragraph (1) of Article 8 in Act on the Evaluation of Chemical Substances and Regulation of Their Manufacture, etc. (Act No. 117 of 1973).

I also declare that I am responsible for this notification based on CSCL totally.

Chemical supplier : X company
