

Table(1) Production

UC code (#)	Use Category (UC)	SUC code	Sub Use Category (SUC)	Emission Factors to Air					
				Vapor Pressure (Pa)					
				<1	1-10	10-100	100-1,000	1,000- 10,000	≥ 10,000
PRODUCTION									
	The production of the chemical substance in itself. ※The emission factors for a production stage does not depend on use category.			0.000001	0.000005	0.00001	0.00005	0.0001	0.001
