

Appendix 1

List of Newly Established and Revised JIS Publicly Notified on June 20, 2023

<Division in charge and telephone number>

International Standardization Division (e-mail: bzl-s-kijun-ISO@meti.go.jp direct line: 03-3501-9283)

International Electrotechnology Standardization Division (e-mail: bzl-s-iec@meti.go.jp direct line: 03-3501-9287)

1. Revised standards

(Discussed by the Japanese Industrial Standards Committee)

Name of standard	JIS code	Association that prepared the draft proposal	Division in charge
Turnbuckle for building	A5540	Japanese Society of Steel Construction	International Standardization Division
Body of turnbuckle for building	A5541	Japanese Society of Steel Construction	International Standardization Division
Insulation material TATAMIDOKO	A5914	Japan Construction Material & Housing Equipment Industries Federation	International Standardization Division
Faucets, ball taps and flush valves	B2061	Japan Valve Manufacturers' Association	International Standardization Division
Low-voltage switchgear and controlgear-Part 5-2: Control circuit devices and switching elements-Proximity switches	C8201-5-2	Nippon Electric Control Equipment Industries Association	International Electrotechnology Standardization Division
Kerosine	K2203	Petroleum Association of Japan	International Standardization Division
Diesel Fuel	K2204	Petroleum Association of Japan	International Standardization Division
Zinc rich primer	K5552	Japan Paint Manufacturers Association	International Standardization Division
High build type Zinc rich paint	K5553	Japan Paint Manufacturers Association	International Standardization Division
Tempered glass	R3206	Flat Glass Manufacturers Association of Japan	International Standardization Division
Heat strengthened glass	R3222	Flat Glass Manufacturers Association of Japan	International Standardization Division

(Total standards revised: 11)
